

Ich Troje, We play in team

Do you believe me when I say
Your love is taking me away
Everyday?

Cause I know nothing's forever
But we'll stay together
And my arms are open wide

Cause we play in team
We play together
Reaching to the sky
Cause we play in team
Us forever
We're flying up so high
Play in team

I always want you by my side
Cause you make me feel alright
Just make me tight

Cause I know nothing's forever
But we'll stay together
And my arms are open wide

Cause we play in team
We play together
Reaching to the sky
Cause we play in team
Us forever
We're flying up so high
Play in team

Play in team

We play in team !
We play together ... Go !
Everybody plays
Play together !
Stand up stand up !
Everybody is flying!

Play in team

Cause we play in team
We play together
Reaching to the sky

Cause we play in team
Us forever
We're flying out so high
Play in team
