

# Icon Of Coil, Other Half Of Me

Let me feel the strength you felt  
Still hunting in your eyes  
Let me taste the life  
That you have tasted  
Let me feel the power of your supplies  
Let me reach my goal  
Give me the shimmering in your eyes

I'm here to claim my soul  
And the shimmering in your eyes  
The other half of me  
And all the pieces I left behind

You are my drugs  
You are my demons  
Am I still alive?  
I always knew something was missing  
Let me feel the pain that you've felt  
I'm still counting the days  
Still drifting  
Searching for myself  
For myself
