Icon Of Coil, We Need

We're flying Above the water Behold this broken wings We need

We're swimming Beneath the surface Behold these fragile lungs We need

We're walking Right through the weather Beware this damaged skin We need

We're crawling Right by the mountains Beware their rocks are turning away We need

Above the water We're flying We need these broken wings Behold

Beneath the surface We're swimming We need these fragile lungs Behold

We need

Right through the weather We're walking We need this damaged skin Beware

Right by the mountains We're crawling The rocks are turning away now Beware

We need

We're crawling
We're walking
We're swimming
We're flying
We rot through this world that we live in and die in
We're crawling
We're walking
We're swimming
We're flying
