

# Ida Corr, Tonight I'm Your DJ - Part 1 (feat. Fatman Scoop)

Fatman Scoop

Ida Corr

Get it on, Get it on, let's go

Clap for the DJ, Clap for the DJ

Clap for the DJ, Clap for the DJ

Nothing right now is like it used to be

It's like you took control over me

And my heart keeps fighting

It wants me to break free

It don't matter if I'm right or wrong

It takes one look from you and my strength is gone

But when the music's playing

I'll have you singing my song

(Let's go, let's go)

Tonight I'm your DJ

I'm gonna spend that beat to get your body pumpin'

Tonight I'm your DJ

I'd be playing it so loud that you can feel my lovin'

Tonight I'm your DJ

I keep the party going til the break of dawn

Tonight I'm your DJ

And then I'm gonna make sure that we get it on

Let's go

Clap for the DJ, Clap for the DJ

Clap for the DJ, Clap for the DJ

DJ, DJ, hey hey hey hey

DJ, DJ, hey hey hey

Let's go

Everything that you will do or say

Is my command and you will have your way

'Cause just the taste of you

And I have to obey

You said that I was gonna be your wife

And live as one for the rest of our lives

And I chose to listen to the sweetness of your lies

Tonight I'm your DJ

I'm gonna spend that beat to get your body pumpin'

Tonight I'm your DJ

I'd be playing it so loud that you can feel my lovin'

Tonight I'm your DJ

I keep the party going til the break of dawn

Tonight I'm your DJ

And then I'm gonna make sure that we get it on

Tell me just why you left with no goodbye?

DJ, turn the music up

Tonight I'm your DJ

I'm gonna spin that beat to get your body pumpin'

(Body pumpin')

(Body pumpin')

(Pump that body)

Tonight I'm your DJ

I'd be playing it so loud that you can feel my lovin'

Tonight I'm your DJ  
I keep the party going til the break of dawn  
(Break the dawn)  
(Break the dawn)  
(Turn it on)  
Tonight I'm your DJ  
And then I'm gonna make sure that we get it on  
(Get it on)  
(Get it on)

Tonight I'm Your DJ...J  
(DJ, make them work)  
(DJ, make them swag)  
Tonight I'm Your DJ...J  
(DJ, make them work)  
(DJ, put them high)  
Tonight I'm Your DJ...J  
(DJ, make them work)  
(DJ, tonight I'm, what?)  
Tonight I'm your DJ
