

Ida Maria, I Like You So Much Better When You'r

All the clever
Things I should say to you
They get stuck somewhere
Stuck between me and you
Oh, I'm nervous
I don't know what to do
Light a cigarette
Only smoke when I'm with you, oh

What the hell do I do that for?
You're just another guy
Okay, you're kinda sexy
But you're not really special

But I won't mind
If you take me home, come on take me home
I won't mind
If you take off all your clothes, come on take 'em off

'Cause I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
I like me so much better when you're naked

All the clever
Things I should say to you
They get stuck somewhere (stuck somewhere)
Stuck between me and you

I like me so much better when you're naked, yeah
