

# Idiot Flesh, Dead Like Us

Ladies and germs as I've already said, you might as well stay cause you're already  
Yes, your dead like us. Dead like toenails.

Leave your troubles at the door. They can't help you anymore.

You're dead like us. Dead like Hair.

Cross your eyes and wiggle your toes. Lean back and touch your fingers to your nose. Swear up and

Worldly pleasures are all in your mouth, So come on baby we're all headed  
Look out, you're dead like us. Dead like candy.

Your work, your talk, your body don't do much good for you.  
Send em all back. The can melt em down for glue.

Dead like us. Dead like gravy.

How I wish that the world had just one throat and my fingers were around it. I'm not mad, I'm not pe
