

# Idiot Pilot, Elephant

Conversation works to expose  
How heavy is the burden of your soul?  
Enough to disguise all you might've said?  
Oh, the elephant dies

I felt damnation in all its throes  
A complication when confronted is a sight unknown  
Enough to disguise all you might've said?  
Oh, the elephant dies

Enough to disguise all you might've said?  
Oh, the elephant dies  
if only to interrupt
