

# Ifi Ude, My Baby Gone

Someone will break your heart,  
I know that from dreams,  
But thought that I just misunderstood.  
I think about the time,  
I wanna spend with you,  
I wanna spend my life with you.  
You talk about the love you had,  
Think about the life you could have.  
Don't make me cry for that, no.  
I give you all my time, baby.  
Have in my plans, to be with you, you, with you,  
On and on, on and on.  
Ta I ta I ta, I wanna spend my life with you, ee.  
Giving you all my time, baby.  
Aaaa. Eja eja, with you. Ee.  
Aa eja a eja,  
I wanna spend my life with you  
Ee, and I give you, eja  
Eja la a ja.  
I wanna spend my life with you.  
Aija la, aija aja aja a, aijala, eija /3x

One day you fall apart,  
Fire will get you down by surprise.  
How does it feel right now?  
Keeping on and on, all your lies.  
Don't make me cry for that, no.  
I gave you all my time, baby.  
Ta I ta I ta.  
I wanna spend my life with you,  
Ee, aa eja a eja,  
I wanna spend my life with you  
I give you, eja eja a a ja.  
I wanna spend my life with you.  
Aija la, aija aja aja a, aijala, eija /3x

Somebody's gonna  
Break your heart
