

# Iggy Azalea, Beg For It (feat MØ)

[MØ:]

I'mma make you beg, I'mma make you beg for it  
I'mma make you beg, I'mma make you beg

Pulled up looking picture perfect, baby  
High price, but I'm worth it, baby  
Can't play with ya, I've been busy workin', baby  
Gettin' faded in the European swervin' neck  
Look, describe Iggy, ground breaking what the word is  
Hit the stage, yeah, shake it like I'm nervous  
When in New York got me parking right on Madison  
This ain't no accident, I'm killing them on purpose  
I-G-G-Y, think she just had to do it better  
Ride with me, fly livin', there ain't nothin' to it  
Am I waist slim ass fat you gotta have it  
Get my bake on, cake long  
That's automatic

[MØ:]

I know you like the way I turn it on  
I'm out here with my friends  
I'mma make you beg, I'mma make you beg for it  
If you don't do this right, you're going home alone  
I guess you'll have to beg  
I'mma make you beg, I'mma make you beg for it

P-p-pussy power, pay me by the hour  
I need me a Braveheart, can't deal with a coward  
I tell him if he ain't ballin', he should hit the showers  
If I peek and you lucky, baby, there's money hours  
All yellow gold on me, like I'm Trinidad, James  
Sittin' drop top wonder where is that  
I know my old thang wanna bring the feeling back  
But I got a new thang, baby, I ain't feeling that now  
Iggy Iggy Iggy can't you see?  
That everybody wanna put their hands on me  
See I be on this money why your man on me  
And I need another hand with all these bandz on me

[MØ:]

I know you like the way I turn it on  
I'm out here with my friends  
I'mma make you beg, I'mma make you beg for it  
If you don't do this right, you're going home alone  
I guess you'll have to beg  
I'mma make you beg, I'mma make you beg for it

Get up out my face like who d'you think you are  
Talking all this trash like blah-de-blah-de-blah  
Get up out my face like who d'you think you are?  
Made me wanna laugh like hide?

[MØ:]

I know you like the way I turn it on  
I'm out here with my friends  
I'mma make you beg, I'mma make you beg for it  
If you don't do this right, you're going home alone  
I guess you'll have to beg  
I'mma make you beg, I'mma make you beg for it

[MØ:]

Bad boy look boy I like to drop  
If you want my love then smoke it up

Make you beg, I'mma make you beg for it  
Bad boy look boy but don't you touch  
If you want my love make me give a fuck  
Make you beg for it, I'mma make you beg for it
