

Iggy Azalea, Fuck It Up (feat. Kash Doll)

fuck i tup sis
just fuckin' it up
fuck it up sis

fuck it up
it's the new shiu
fuck i tup sis
just fuckin' it up
fuck it up sis

ay
I be fuckin ; it up
I slap his hands cause
I feel him tryna touch on my butt

if It ain't about the cash
it ain't much to discuss

cause getting money feel way
better than bustin' anut

youe man hella lame
always tryna run game
stayin'' shootin the shot
like we at a gun range

standing on the couch
but you know I run things
for a lil pimp chain
she gon do sumn; strange

no we popping bottle getting lit
and the DJ playing my shit

I throw that ass in his face
you gon' touch it or what
throw that ass in his face
you gon' touch it or what
