

# Iggy Pop, Ann

You took my arm and you broke my will  
You made me shiver wiht a real thrill  
You took my arm and we walked along  
Down the road to a quiet song  
I looked into your cool cool eyes

I felt so fine, I felt so fine  
I floated in your swimming pools  
I felt so weak, I felt so blue  
Ann, my ann I love you ann  
My ann I love you right now!
