

# Iggy Pop, Baby

Baby  
Don't you cry  
Baby  
I'll sing you a lullabye

We're walking down the  
Street of chance  
Where the chance is always  
Slim or none  
And the intentions unjust

Baby there's nothing to see  
I've already been  
Down the street of chance

Baby you're so clean  
Baby please stay clean  
Baby you're so young  
Baby please stay young  
Baby, don't you cry  
Baby, we've already cried
