

Iggy Pop, Frenzy

I got a dick and two balls, that's more than you all
My mind will be sick if I suffer the pricks
So shut up and love me 'cause fun is my buddy
All the sharks in the sea are waiting on me

I'm in a frenzy, you fucking prick
I'm in a frenzy, you goddamn dick
I'm in a frenzy, you stoned douchebag
And the hate that I feel is oh so real
I'm in a frenzy (Frenzy)
I'm in a frenzy (Frenzy)
I'm in a frenzy (Frenzy)
I'm in a frenzy

I'm sick of the squeeze, I'm sick of the tears
I'm sick of the freeze, I'm sick of disease
So get me a try before I fucking die
My mind is on fire, I will not retire

I'm in a frenzy, you fucking prick
I'm in a frenzy, you goddamn dick
I'm in a frenzy, you stoned douchebag
And this hate that I feel is oh so real
I'm in a frenzy (Frenzy)
I'm in a frenzy (Frenzy)
I'm in a frenzy (Frenzy)
I'm in a frenzy

Do you get it?
No
I'm in a frenzy (Frenzy)
I'm in a frenzy (Frenzy)
[?] (Frenzy)
I'm gonna burn (Frenzy)
Frenzy, frenzy, frenzy (Frenzy)
frenzy, frenzy, frenzy, frenzy (Frenzy)
Oh (Frenzy)
Frenzy, frenzy, frenzy, frenzy (Frenzy)

I got a dick and two balls
