

Iggy Pop, Innocent World

I used to live in an innocent world
I had a car and a pretty blond girlfriend
We was too young to know what we were doing
And anyway I was just fooling around

Innocent innocent innocent world
Innocent innocent innocent world
Innocent innocent innocent world
With a cute little monkey on my back
And a total disregard for the facts
I'd run away and never get back
From my innocent world

There ain't no reason to tell no lie
When you're young and you've got a lot of pie
Now I slink around like a killer
The things they say are just a lot of filler
In my mind, in my mind

Innocent innocent innocent world
Innocent innocent innocent world
Innocent innocent innocent world
Running, laughing in the sun
And always having lots of fun
Smoking dope and just being young
In my innocent world

Innocent innocent innocent world
Innocent innocent innocent world
Innocent innocent innocent world
With a cute little monkey on my back
And a total disregard for the facts
I'd run away and never get back
From my innocent world

Innocent innocent innocent world
Innocent innocent innocent world
Innocent innocent innocent world
Innocent innocent innocent world
