Iggy Pop, Loser

Allright
The feet in my boots
Are shaking their roots
For a reason
I'm looking at you
And you're too much to chew
For a reason
And the problems you got
Are the problems you got
For a reason
And what you are not
Is what you are not
For a reason

There's a decadent home Where there should be control I can't live anymore

There's a festering truth
Where there should be the truh
I can't live anymore

You wanna blame me
But you got misery
For a reason
And the way that you lose
Is the way that you chose
For a reason
And if this is a slam
I don't give a damn
For a reason
Cuz the point of this song
Is I'm moving along
For a reason

There's a bottomless pit And you've got me in it I can't live anymore You're a tower of a cruel And I feel a fool I can't take it anymore

You're a loser For a reason

You're a loser

The feet in my boots
Are shaking their roots
For a reason
For a reason
For a reason
For a reason
