

# Iggy Pop, Your Pretty Face Is Going To Hell

Alright

Dirty face and dirty love, I knew right away  
That I had to get my hooks in you, yeah yeah yeah  
Want to know what a devil is, if you want to make a buck  
Boy you gotta be demon, I say yeah yeah  
I need it all baby that's no lie  
I need a lover with an aliby  
I wanna follow to a love so sweet  
Honey baby give me all, I love you

Hot flesh and a touch of bones  
Smells in the air but I'm feeling so alone, I say yeah yeah  
Lose your nation on true romance, I need your love  
But I hold myself a piece, and that ain't all  
I'll tell you honey it's a cryin' shame  
All the pretty girls really look the same  
I want to follow to a love so sweet  
Honey baby give me all, I love you

Your pretty face is going to hell  
Your pretty face is going to hell  
Honey honey I can tell  
Your pretty face is going to hell, hell

Dirty face and dirty love, I knew right away  
That I had to get my hooks in you, I say yeah yeah
