

Ignu, Firecracker

You're a firecracker
Blowin' in my pocket
You're a firecracker
I can't let you go
You're a firecracker

Bed cecision instygator
You're not a slacker
That's fo'sho

So i have heard about your wicked move
You're playin' on feelings
That's your favourite groove
I can't denny that i like it wnen it rains
Your golden sparks
Cause unwashed paintfull stains

You're a firecracker
Blowin' in my pocket
You're a firecracker
I can't let you go
You're a firecracker

Bed cecision instygator
You're not a slacker
That's fo'sho
