

Igor Konieczny, Lighter

do you remember
beginning of September?
when golden lights were slowly dying
and the darkness ... way the sky
and read were never dry

and I'm ... this day
I got nothing to say
gonna way till May

Oh Lyla,
Could you borrow a lighter
Wanna set up a fire
Feel some thing
Another thing I got take away from me

...

don't wait for me!

I pull my head out
Freaky, I just can forget
our lives before we were sent
Another instruments we won't never paly
cause when you look back
you already dead
and I go as fast as ...
but I see it doesn't make sense
and what left me is to dance

Oh Lyla,
Could you borrow a lighter
Wanna set up a fire
Feel some thing
Another thing I got take away from me

...

but I see it doesn't make sense
and what left me is to dance

(Igor utwór "Lighter" wykonał w w półfinale programu "Mam talent").
