

# Ihsahn, Astera ton Proinon

Were you not humble  
not submissive?  
Would you not bend your knee?  
Did you question  
or object  
to the word of the many?  
Had you a vision of your own?  
Saint of the damned  
Icon of the rejected  
Primeval insurgent  
Ascend O' Morning star  
Ascend

"How art thou fallen from heaven, O' day-star, son of the morning  
How art thou cut down to the ground, that didst cast lots over the nations  
For thou has said in thine hear, I will ascend into heaven  
I will exalt my throne above the stars of God  
I will sit also upon the mount of the congregation, in the sides of the north  
I will ascend above the heights of the clouds; I will be like the most High"  
Man has been reared by the four errors  
and never saw himself other than imperfectly  
Such is then the pleasure of the common herd  
to quench their envious thirst in misery
