

# Ill Nino, Eye For An Eye

(by Soulfly)

I am what I creat  
Beliefing in my fate  
Integrity is my name  
All that I am doing  
Can never be ruined  
My song remains insane

Eye for an eye  
Eye for an eye  
Eye for an eye  
Eye for an eye, for an eye

Got let my heart  
Got to watch my back  
Believe on day Ill fly  
To reunite the tribe  
To find a better way  
Our believe is the only way

Eye for an eye  
Eye for an eye  
Eye for an eye  
Eye for an eye, for an eye

I hit the bottom  
You dont understand  
Pain, hate, pain  
Arise again  
To be born again  
I believe is the only way

Eye for an eye  
Eye for an eye  
Eye for an eye  
Eye for an eye, for an eye

Eye for an eye  
Eye for an eye  
Eye for an eye
