

# Ilse DeLange, I'm Not So Tough

I can almost read your mind, it's runnin' fast  
out of control

You're afraid of what you'll find,  
if you get too close

You imagine I don't care,

You see walls that just aren't there

You think I'm too strong to let you in  
well that's just not fair

(CHORUS):

I'm not so tough,

I'll call your bluff

And let you see a side of me

That wants you here and cries real tears

And needs someone to love

I'm not so tough

I know that you've been hurt before

Well so have I what can you do

That doesn't mean you close the door

So stop blamin' me, I don't blame you

I'm not some ghost from your past

The one who tore your heart in half

I'm not here, it's not my fault you're holding on to that

(CHORUS)
