

# Ilse DeLange, You Are The Dream

I live my life, convinced i find your love somehow, somewhere.  
I heald on to the faith that you would show yourself one day.  
Something in me believed, this night was meand to be.

(Chorus)

You are the promis  
I made to my heart  
You are the vision  
I saw in the dark  
You are the reason  
I've waited so paitently  
So many nights when i closed my eyes  
It's you that i've seen  
I am the dreamer  
You are the dream.  
It wasn't always clear to see  
where i was headed too  
But of al live's roles  
Somehow i choice the one that led to you  
Thousens matter how far i'v been  
I'v found my journey's end

(Chorus)

Ooh I am the dreamer  
You are the dream.
