

Ima Robot, Happy Annie

Happy Annie
Wakes up scared
It's such a big day
She's unprepared

She's wanted this since
She was a girl
More than anything in
The whole wide world

Go get your Mom's
White Wedding Dress
And play bride with the family pets

In her bedroom
Bells are ringing (oh)
She imagined everyone singing

But she never thought it's "this" way (this way)
'Cause she loved (she loved)
She loved (she loved)
She loved him

- Oh how she loved
- Look how she loved him

Wake up Tommy
Do you feel the
Pain that you've got inside

Find your Mommy
Spread her legs and
Climb back up inside

Boys who trap
Animals are
Animals themselves

So wakeup Tommy
Don't you know that
You're gonna burn in Hell

But he never thought it's "this" way (this way)
'Cause he loved (he loved)
He loved (he loved)
He loved her

- Love, love, love
- Love, love, love

Happy Annie
So much pain
She can't break free
From the chain

She's thinkin' bout
What she never did
She wants adventure
But she loves her kids

Love with her man
Has slowly died
Don't talk about it
She'd prefer to lie

In her bedroom
Bells were ringing (oh)
She imagines everyone singing

Wake up Tommy
Can you see the pain
That you caused inside

Look at Mommy
As she finds a
Place for love to hide

Boys who trap animals
Are animals themselves
So set her free and
You will see that
You'll be free as well

But they never thought it's "this" way (this way)
'Cause they loved (they loved)
They loved (they're lovers)
