

Ima Robot, Paint The Town Red

Walking on traintracks
Thinking of the girl you killed
She was the eighteenth girl in the world
Who ever gave me love, love
Vengeance in my heart
And in my hands, a gun, a gun, a gun
Death wish three
Motherfucker I'm comin' through your town

I'm gonna give it to you
Watch ya die
I could not care less about life
Ooh I want you to know
I give it to you
Ooh I give it to you
More (more) more (more) more (more) more (more)

Give it to me
I'm gonna give it to you
Watch ya die
Think I give a fuck about an alibi
Ooh I want you to know
I give it to you
Ooh I give it to ya
More (more) more (more) more (more) more (more)

Give it to me
I'm gonna paint the town red
Paint it red
For the love
That I lost
I'm gonna paint the town red
Paint it red
For my love
At any cost

Give it to me
I'm gonna paint the town red
Paint it red
For the love
That I lost
I'm gonna paint the town red
Paint it red
For my love
At any cost

Hear it true
Spin my volume
Hit the dust
Squeezin' off rounds with cold fingertips
For my latest love, love
My revenge is a dish best served right fucking now
Right now, right now
One left in the barrel of the only piece I found

You wanna give it to me
All my life
Hit me up and watch me die
Oh but before I go
I give it to you
Ooh I give it to you
More (more) more (more) more (more) more (more)

Give it to me

Watch me now
You think I give a fuck about life
Ooh I want you to know
I give it to you
Ooh I give it to you
More (more) more (more) more (more) more (more)

Give it to me
I'm gonna paint the town red
Paint it red
For the love
That I lost
I'm gonna paint the town red
Paint it red
For my love
At any cost

Give it to me
I'm gonna paint the town red
Paint it red
For the love
That I lost
I'm gonna paint the town red
Paint it red
For my love
At any cost

Give it to me
I'm gonna paint the town red
Paint it red
For the love
That I lost
I'm gonna paint the town red
Paint it red
For my love
At any cost
