Imagine Dragons, America

Is this just an illusion That I made inside my head to get me by? 20 years in debt 20 years in the government 20 years can never get me by

Then I feel you close Feel you close like you wanted me to Feel you close like you wanted me to Believe in you

Rise to the top of the world, America America, don't you cry Lift me up Give me strength to press on Rise to the top of the world, America America, don't you cry Lift me up Give me strength to press on

From farmers in the fields
To the tallest of the towers that fall and rise
1-7-7-6
The names upon the list
For all the ones that gave until they died
Don't you hold back
I can see in your mind, and your mind will set you free

And I feel you close Feel you close like you wanted me to Feel you close like you wanted me to Believe in you

Rise to the top of the world, America America, don't you cry Lift me up Give me strength to press on Rise to the top of the world, America America, don't you cry Lift me up Give me strength to press on

Rise to the top of the world, America America, don't you cry Lift me up Give me strength to press on Rise to the top of the world, America America, don't you cry Lift me up Give me strength to press on
