

Imagine Dragons, Follow You

You know I got your number, number all night
I'm always on your team, I got your back alright
Taking those, taking those losses if it treats you right
I want to put you into the spotlight
If the world would only know what you've been holding back
Heart attacks every night
Oh, you know it's not right
I will follow you way down wherever you may go
I'll follow you way down to your deepest low
I'll always be around wherever life takes you
You know I'll follow you
Call you up, you've been cryin', cryin' all night
You're only disappointed in yourself, alright
Taking those, taking those losses if it treats you right
I wanna take you into the sunlight
If the world would only know what you've been holding back
Heart attacks every night
Oh, you know it's not right
I will follow you way down wherever you may go
I'll follow you way down to your deepest low
I'll always be around wherever life takes you
You know I'll follow you
Ba-da-da-da-da
Da-da-da-da-da
Ba-da-da-da-da
You know I'll follow you
La-da-da-da-da
Wherever life takes you, you know I'll follow you
You're not the type to give herself enough love
She live her life, hand in a tight glove
I wish that I could fix it, I could fix it for you
But instead I'll be right here comin' through
(Right here, comin' through)
I will follow you way down wherever you may go
I'll follow you way down to your deepest low
I'll always be around wherever life takes you
You know I'll follow you
Ba-da-da-da-da
Da-da-da-da-da
Ba-da-da-da-da
You know I'll follow you
La-da-da-da-da
Wherever life takes you, you know I'll follow you
