Imagine Dragons, I'm So Sorry

About time for anyone telling you
Off for all your deeds
No sign the roaring thunder
Stopped in cold to read (No time)
I get mine and make no excuses
Waste of precious breath (No time)
The sun shines on everyone, everyone
Love yourself to death

So you gotta fire up, you gotta let go You'll never be loved till you've made your own You gotta face up, you gotta get yours You never know the top till you get too low

A son of a stepfather A son of a, I'm so sorry A son of a stepfather A son of a, I'm so sorry

No lies and no deceiving
Man is what he loves
I keep tryin' to conceive that
Death is from above (No time)
I get mine and make no excuses
Waste of precious breath (No time)
The sun shines on everyone, everyone
Love yourself to death

So you gotta fire up, you gotta let go You'll never be loved till you've made your own You gotta face up, you gotta get yours You never know the top till you get too low

A son of a stepfather A son of a, I'm so sorry A son of a stepfather A son of a, I'm so sorry

Life isn't always what you think it'd be Turn your head for one second and the tables turn And I know, I know that I did you wrong But will you trust me when I say that I'll make it up to you? Somehow, somehow?

So you gotta fire up, you gotta let go You'll never be loved till you've made your own You gotta face up, you gotta get yours You never know the top till you get too low

A son of a stepfather A son of a, I'm so sorry A son of a stepfather A son of a, I'm so sorry

I'm so sorry (x3)

A son of a
