

# Imagine Dragons, Living Musical

It all begins with a look in the eye  
That goes beyond the body into  
Feelings you tried to forgot all about  
A sudden attraction

Between two  
With a few  
Of the mind that distracts  
Of the stars, that it builds  
But it flies to the bottom  
Baby I'm blessed to be here  
The last to be basked in your presence  
Ooh

And it's unexplainable, uncontainable  
It's hard to be asked to have the confidence enough to move  
My lips and speak  
My eyes to yours  
We connect for a moment  
It seems to be a lifetime

I wish I had a lifetime  
To capture every moment of you  
Every moment of you  
Ooh ooh ooh ooh

I wish I had a lifetime  
To capture every moment of you  
Every moment of you

Captivating every sense  
Exhilarating, feelings dance  
I'm just a fool  
For pretty girl with confidence  
Ohh

Who am I to beat the bush?  
I just want you, skip the mush  
Baby, be beautiful  
'Cause you're a living musical

Oh woah oh oh oh woah oh oh oh woah oh oh woah  
Oh woah oh oh oh woah oh oh oh woah oh oh woah

She was coughing on the coolers as she asked for my number  
I was living in a dream  
Feelings roll down like thunder

I never met my match  
Melodic melodies mumble  
A cocky young thing meets a girl and I stumble

For the first time in my life  
I don't know where to start  
With a brush in my hand  
I don't know when it's art

When I laugh she must smile  
When I smile she must laugh  
Is it possible that I'd go for a girl in my path?

And it's unexplainable, uncontainable  
It's hard to be asked to have the confidence enough to move  
My lips and speak

My eyes to yours  
We connect for a moment  
It seems to be a lifetime

I wish I had a lifetime  
To capture every moment of you  
Every moment of you  
Ooh ooh ooh ooh

I wish I had a lifetime  
To capture every moment of you  
Every moment of you

Captivating every sense  
Exhilarating, feelings dance  
I'm just a fool  
For pretty girl with confidence  
Ohh

Who am I to beat the bush?  
I just want you, skip the mush  
Baby, be beautiful  
'Cause you're a living musical

Oh woah oh oh oh woah oh oh oh woah oh oh woah  
Yeah  
Yeah  
Oh woah oh oh oh woah oh oh oh woah oh oh woah

Oh be easy on me baby  
I'm a sensitive mess  
You're a beautiful girl  
Nothing else, nothing less

Just tell me what you're felling  
What I know to be true  
And I'll give all that I have  
Baby I'll give it all to you

Captivating every sense  
Exhilarating, feelings dance  
I'm just a fool  
For pretty girl with confidence

Who am I to beat the bush?  
I just want you, skip the mush  
Baby, be beautiful  
'Cause you're a living musical ohh!

Oh woah oh oh oh woah oh oh oh woah oh oh woah  
Yeah  
Yeah  
Oh woah oh oh oh woah oh oh oh woah oh oh woah  
Yeah  
Yeah  
Oh woah oh oh oh woah oh oh oh woah oh oh woah
