

# Imagine Dragons, Rise Up

I was hoping for an indication  
I was seeking higher elevation  
I've been shaken waking  
In the night-light  
I've been breaking hiding  
From the spotlight

The more I stray  
The less I fear  
And the more  
I reach the more  
I fade away  
The darkness right  
In front of me  
Oh it's calling out  
And I won't walk away

I would always open up the door  
Always looking up at higher floors  
Want to see it all  
Give me more (rise, rise up)  
I was always up for making changes  
Walking down the streets meeting strangers  
Flipping through my life  
Turning pages (rise, rise up)

Like a prayer that  
Only needs a reason  
Like a hunter  
Waiting for the season  
I was there but  
I was always leaving  
I was living but  
I was never breathing

The more I stray  
The less I fear  
And the more  
I reach the more  
I fade away  
The darkness right  
In front of me  
Oh it's calling out  
And I won't walk away

I would always open up the door  
Always looking up at higher floors  
Want to see it all  
Give me more (rise, rise up)  
I was always up for making changes  
Walking down the streets meeting strangers  
Flipping through my life  
Turning pages (rise, rise up)

I'm bursting like the Fourth of July  
So color me and blow me away  
I'm broken in the prime of my life  
So embrace it and leave me to stray

I would always open up the door  
Always looking up at higher floors  
Want to see it all  
Give me more (rise, rise up)  
I was always up for making changes

Walking down the streets meeting strangers  
Flipping through my life  
Turning pages (rise, rise up)

I would always open up the door  
Always looking up at higher floors  
Want to see it all  
Give me more (rise, rise up)  
I was always up for making changes  
Walking down the streets meeting strangers  
Flipping through my life  
Turning pages (rise, rise up)

Rise, rise up  
Rise, rise up
