Imagine Dragons, Roots

Don't throw stones at me
Don't tell anybody
Trouble finds me,
All the noise of this
Has made me lose my belief

I'm going back to my roots
Another day, another door
Another high, another low
Rock bottom, rock bottom, rock bottom
I'm going back to my roots
Another day, another door
Another high, another low
Rock bottom, rock bottom, rock bottom
I'm going back to my roots

Had to lose my way
To know which road to take
Trouble found me,
All I look forward
Washed away by a wave

I'm going back to my roots
Another day, another door
Another high, another low
Rock bottom, rock bottom, rock bottom
I'm going back to my roots
Another day, another door
Another high, another low
Rock bottom, rock bottom, rock bottom
I'm going back to my roots

I know it's gotta go like this, I know
Hell will always come before you grow
Trouble found me, trouble found me
I know it's gotta go like this, I know
Hell will always come before you grow
Trouble found me, trouble found me

I'm going back to my roots
Another day, another door
Another high, another low
Rock bottom, rock bottom, rock bottom
I'm going back to my roots
Another day, another door
Another high, another low
Rock bottom, rock bottom, rock bottom
I'm going back to my roots
