

Imagine Dragons, Sharks

Trouble
Blood is in the rocky waters
Hide away your sons and daughters
Eat you alive (Eat you alive)
Levels (Levels)
Better put your head on swivels (Swivels)
Dancing with the very devil (Devil)
Butter to knife (Butter to knife)

You think you're better than them
Better than them
You think they're really your friends
Really your friends
But when it comes to the end
To the end
You're just the same as them
Same as them (Ha ha ha ha ha)

So let it go, let it go
That's the way that it goes
First you're in, then you're out
Everybody knows
You're hot, then you're cold
You're a light in the dark
Just you wait and you'll see
That you're swimming with sharks

He's coming to get you (chicka-woo-woo)
He's coming to get you, get (chicka-woo)

Bubbles
Drowning, you seeing doubles
Don't you let them see your struggles
Hiding your tears
Crisis
Take advantage of your niceness
Cut you up in even slices
Prey on your fears

You think you're better than them
Better than them (You think you're better)
You think they're really your friends
Really your friends
But when it comes to the end
To the end (Oh, no)
You're just the same as them
Same as them (Ha ha ha ha ha)

So let it go, let it go
That's the way that it goes
First you're in, then you're out
Everybody knows
You're hot, then you're cold
You're a light in the dark
Just you wait and you'll see
That you're swimming with sharks

My blood is pumping (He's coming to get you)
Don't take it from me (Woo-woo)
My blood is pumping (He's coming to get you, get)
Don't take it from me
My blood is pumping (He's coming to get you)
Don't take it from me (Woo-woo)
My blood is pumping (He's coming to get you, get)

Don't take it from me

Every time my heart is beating
I can feel the recipe
I wonder if my day is gonna blame it on the entropy
My blood is pumping, I can see the end is right in front of me
Don't take it from me, I could be everything
Everything (Sharks)
Don't take it from me
My blood is pumping, my blood is pumping (Sharks)
Don't take it from me, I could be everything
Everything

So let it go, let it go
That's the way that it goes
First you're in, then you're out
Everybody knows
You're hot, then you're cold
You're a light in the dark
Just you wait and you'll see
That you're swimming with sharks

My blood is pumping (He's coming to get you)
Don't take it from me (Woo-woo)
My blood is pumping (He's coming to get you, get)
Don't take it from me
My blood is pumping (He's coming to get you)
Don't take it from me
My blood is pumping (He's coming to get you, get)
Don't take it from me
