

# Imagine Dragons, Speak To Me

Draw a room of flashing lights  
And let all whispers die  
16 colors, I'm so lonely  
Let, let the picture dry

'Cause everybody sees things differently  
And everybody says things rationally

CHORUS:  
So open up your heart  
Open up your mind  
Speak, speak, speak, speak to me  
Let it go

So open up your heart  
Open up your mind  
Speak, speak, speak, speak to me  
Let it go

Depressed emotions flying past  
Are heading out the other end  
The pressures of the daily grind  
It's wonderful

Elastic waste and rubber ghosts(?)  
Are floating past the midnight hour  
They push aside the things that matter most  
It's wonderful

Trace the faces, X the places  
Where the judges lie  
I'm not scared of all the nothing  
Let, let the whispers die

'Cause everybody sees things differently  
(Exciting news at discount price)  
And everybody says things rationally  
(A million opportunities)

CHORUS

I-M-A-G-I-N-E, oh, oh, oh  
M-O-V-E-M-E-N-T, oh, oh, oh  
I-M-A-G-I-N-E, oh, oh, oh  
L-E-T-U-S-B-E-F-E-A-R-L-E-S-S

'Cause everybody sees things differently

And everybody says things rationally  
(A million opportunities)
