## Imagine Dragons, Tiptoe

In the morning light let my roots take flight Watch me from above like a vicious dove They don't see me come, who can blame them? They never seem to catch my eye, but I never wondered why.

I won't fall asleep I won't fall asleep

Hey yeah, don't let 'em know we're coming Hey yeah, tiptoe higher Take some time to simmer down, keep your head down low Hey yeah, tiptoe higher

From your slanted view see the morning dew Sink into the soil, watch the water boil They won't see me run, who can blame them? They never look to see me fly, so I never had to lie

I won't fall asleep I won't fall asleep

Hey yeah, don't let 'em know we're coming Hey yeah, tiptoe higher Take some time to simmer down, keep your head down low Hey yeah, tiptoe higher

Nobody else, nobody else Nobody else, can take me higher Nobody else, can take me higher Nobody else, can take me higher Nobody else

Hey yeah, don't let 'em know we're coming Hey yeah, tiptoe higher Take some time to simmer down, keep your head down low Hey yeah, tiptoe higher

Hey yeah, don't let 'em know we're coming Hey yeah, tiptoe higher Take some time to simmer down, keep your head down low Hey yeah, tiptoe higher
