

Imanbeka, Rita Ora, Bang Bang

Bang Bang
o na na na na
Bang Bang
o na na na na
oh my god,
I think i am in trouble

You showed up and made me Wonder
Looking fun but kinda dangerous too
Yeah
I can lift it off the ground
I don't know what you've done
But it's just too good

You've got something
Cuz i've felt the way that i do
When i am with you
It's so hard to see through you
And that's how i want it

Bang Bang
Look what you started
Bang Bang
Straight to my heart
You feel like trouble
Bang Bang
Baby i've got it
Bang Bang
Look what you started
oh my god,
I think i am in trouble

Bang Bang
o na na na na
Bang Bang
o na na na na
oh my god,
I think i am in trouble
Bang Bang
o na na na na
Bang Bang
o na na na na
oh my god,
I think i am in trouble

What's the core of our connection?
Is it just that i know i am bound to lose
You're a fire
My obsession
And want all of our devotion, for good
You got something i want it
Cause i never felt the way that i do
When i am with you
It's so hard to see through you
And that's why i want it

Bang Bang
Look what you started
Bang Bang
Straight to my heart
You feel like trouble
Bang Bang
Baby i've got it
Bang Bang

Look waht you started
oh my god,
I think i am in trouble

Bang Bang
o na na na na
Bang Bang
o na na na na
oh my god,
I think i am in trouble
Bang Bang
o na na na na
Bang Bang
o na na na na
oh my god,
I think i am in trouble

You got soemthing i want it
Cause i never felt the way that i do
When i am with you
It's so hard to see through you
And that why i want it

Bang Bang
Look waht you started
Bang Bang
Straight to my heart
You feel like trouble
Bang Bang
Baby i've got it
Bang Bang
Look waht you started
oh my god,
I think i am in trouble
