

Imani Coppola, Do I go to you

Do I go to you
If I talk to myself while Im sleeping
will you tell me what Im sayin
what does it mean
if I walk in my sleep, tell me where I go
tell me what Im doing pleas I need to know
Do I go to you
do I talk to you
do I tell you how Im feelin
I need you by my side
do I go to you
do I talk to you
cause I cant stand to live with out you
I need you in my life
If I cry in my sleep will you wash away my tears
take away my sadness take away my fears
if I die in my sleep make sure I get to heaven
make sure I get in there
make sure Im ok
