

IMMINENCE, Come Hell or High Water

There's a monster growing in our heads
Whisper words of death
Setting our world on fire

Don't tell me all the wicked things you said
Save your breath
There's not enough time to waste

Skin and bone
How can you go on like this
You're gonna tear your heart out

We're sheep to the slaughter
We don't have much longer
Escaping the horror
Come hell or high water
Come hell or high water
Come hell or high water
Come hell or
Come hell or
Come hell or high water

Come hell or high water
Come hell or high water

There's a fire growing in our hearts
Burning in the dark
Tonight we go down in flames
This is the black

The wolves are gathering outside the gates
There's no escape
This is the price we pay

Skin and bone
How can you go on like this
You're gonna tear your heart out

We're sheep to the slaughter
We don't have much longer
Escaping the horror
Come hell or high water

We're sheep to the slaughter
We don't have much longer
Escaping the horror
Come hell or high water
Come hell or high water
Come hell or high water
Come hell or
Come hell or
Come hell or high water
