

# Immortal, Frozen By Icewinds

A Whispering Cry  
Heard From A Cascet Of Stone  
Sorrow Reap The Windscreen  
I Am Here All Alone  
Shades Of Grey Cast To The Sky  
In The Deepest Night  
Icewinds Tears Drips On My My Unbeloved Soul  
Coven Of Black Mist Sing For Me  
Ceremonial Hymns Of The Purest Blasphemy  
At One With The Earth  
Alone With Light In My Eyes  
The Ravens Circle Around My Tomb  
As I Dream The Night  
Frozen By Icewinds
