Imogen Heap, Glittering Cloud

I'm not always like this
It's something I become,
A terrible weakness
In my nature, in my blood.

Save me, oh save me, save me from myself
Before I hurt somebody else again.

Domino motion jump starts when we touch,
The blackout approaching
Here it comes now, wish me luck

It's all over, it's all over, it's all over in a flash
I can't remember,
What have I done now?

Go go faster wider
More more get it down ya
Dance dance take me over
Glittering cloud (x2)

Oh, my head hurts
Oh dear oh dear.

It's all over the papers
On the TV, wagging tongues
The artist's impression looks just like me
only.. better
Don't blame me, don't maim me, I can't help what I am
Oh, Lord knows I've tried to.

Go go faster wider
More more get it down ya
Dance dance take me over
Glittering cloud
