

Impaled Nazarene, Penis Et Circes

Penis et circes
Dominate the weaklings
Ecstatic whippings
Iron and chains
Branding the slaves
Mastering the games

[cho:]</i> Hail Satan, master, weeping christians burn at stake

Penis et circes
Boiling oil fetish
Lion raped victims
Screaming for God
Divine intervention
Ain't fucking coming

[repeat chorus]

Penis et circes
Killing the weaklings
Volcanic beatings
Meaningless lives
About to end
Stone them to death!

[repeat chorus]
