

# Impellitteri, Tonight I Fly

She worked so hard for Hollywood  
Papers signed at immigration  
Left her country and home for good  
Last destination  
\*Tonight I will fly  
This night I will fly  
On a house at Beachwood two four twenty eight  
The LA moon shone down like fire  
Inside the outsider burning up,  
Dance ballerina  
[Repeat \*]  
Into the air to fly gracefully  
Bird of perfection  
[Repeat \*]
