

# In Extremo, An End Has A Start

I don't think that it's  
Gonna rain again today  
There's a devil at your side  
But an angel on her way

Someone hit the light  
'Cause there's more here to be seen  
When you caught my eye  
I saw everywhere I'd been  
And wanna go to

You came on your own  
That's how you'll leave  
With hope in your hands  
And air to breathe

I won't disappoint you  
As you fall apart  
Some things should be simple  
Even an end has a start

Someone hit the light  
'Cause there's more here to be seen  
When you caught my eye  
I saw everywhere I'd been  
And wanna go to

You came on your own  
That's how you'll leave  
With hope in your hands  
And air to breathe

You lose everything  
By the end  
Still my broken limbs  
You find time to mend

More and more people  
I know are getting ill  
Pull something good from  
The ashes now be still

You came on your own  
That's how you'll leave  
With hope in your hands  
And air to breathe

You lose everything  
By the end  
Still my broken limbs  
You choose to mend

You came on your own  
That's how you'll leave  
You came on your own  
That's how you'll leave

You came on your own  
You came on your own
