

In Extremo, An End Has A Start

I don't think that it's
Gonna rain again today
There's a devil at your side
But an angel on her way

Someone hit the light
'Cause there's more here to be seen
When you caught my eye
I saw everywhere I'd been
And wanna go to

You came on your own
That's how you'll leave
With hope in your hands
And air to breathe

I won't disappoint you
As you fall apart
Some things should be simple
Even an end has a start

Someone hit the light
'Cause there's more here to be seen
When you caught my eye
I saw everywhere I'd been
And wanna go to

You came on your own
That's how you'll leave
With hope in your hands
And air to breathe

You lose everything
By the end
Still my broken limbs
You find time to mend

More and more people
I know are getting ill
Pull something good from
The ashes now be still

You came on your own
That's how you'll leave
With hope in your hands
And air to breathe

You lose everything
By the end
Still my broken limbs
You choose to mend

You came on your own
That's how you'll leave
You came on your own
That's how you'll leave

You came on your own
You came on your own
