

# In fiction, Liar Liar

Pretend,  
time and distance doesn't mean a thing  
and the sun won't slowly set on you somehow  
somehow i didn't think you'd act this way  
but the guilt from jealous won't touch be left on me  
liar liar did you mean it  
could you say this  
ooh  
i don't think you have tried  
well our hands are tied  
liar liar did you mean it  
could you say this  
ooh  
i don't think you have tried  
well our hands are tied  
it's like i never really caught a breath  
left the gas light with out cops tied to our chest  
what exactly did i give away  
i could give you here but no i could not ever stay  
Liar liar did you mean it?  
Could you say this  
ooh  
well our hands are tied  
can i you until you don't notice  
could i, could i hold you until i believe that i'm sane now  
cuz i really think you've been i told this  
and i  
need you to hear  
that i need you here  
liar liar did you mean it  
did you say this  
i don't think you have tried (yeaaaah)  
well our hands are tied.  
liar liar did you mean it  
could you say this??  
I don't think you have tried
