

# In Flames, The Quiet Place

Spinning further deeper  
I know you're out to try me  
I'm not in this to be a slave  
I push the dirt  
Make me feel  
Locate what swallows life  
Night bird you build my world  
And then I close my eyes  
And then I close my eyes  
Judge me now  
Used to be afraid to let it show, bow down  
good king in my own mind  
Everything is in place  
So much brighter from today  
Drown the monster  
Make all bad dreams go away  
Whatever it takes to keep your hands free  
Open scars  
The quiet place  
All the bridges fall to the ground  
and you say you sacrificed  
And then I close my eyes  
And then I close my eyes  
Judge me now,  
Used to be afraid to let it show, bow down, bow down  
A king, in my own mind  
Everything is in place  
So much brighter from today  
A king in my own mind  
Judge me now  
A king in my own mind  
Judge me now  
A king in my own mind  
Judge me now  
Used to be afraid to let it show, bow down (bow down)  
A king, in my own mind.  
Everything is in place  
So much brighter from today  
A king in my own mind...
