

In-grid, You Promised Me (Tu Es Foutu)

You promised me

Just me and you

You promised me the moon and the sun, the birds and the sky

You promised me a wonderful life they were underlast

You promised me all timethat I never kept

You promised me where the roses are gold but soon I forgot

You promised me

Just me and you

You promised me I could be your queen and you be my king

You promised me a withe wedding dress where is the ring

You promised me your time of caress your kisses of life

So try to show it possible things cause Im wasting my time

You promised me

Just me and you

Tu est foutu

Tu tu tu tu tu tu..

I dont know what to do with my life

But I know my rule isn't a second chance

You promised me (3 times)

Tu est foutu

Tu tu tu tu tu tu
