

Inbal Bibi, Marionette (EUROWIZJA 2022, IZRAEL)

Na-na, na-na, na-na, na-na, na-na-na
Na-na, na-na, na-na, na-na, na-na-na

Tears running on my make up
Lonely children with a broken heart
I made my therapist crazy
He gave up on tryna save me
People sound like, "Blah, blah, blah"
But I know my, "La, la, la"
Shut my ears so I don't hear their voices

Right now, everybody's watching me
Right now, everybody's watching me
Right now, everybody's watching me
Right now, everybody's watching me

Demons used to dance
From deep in my head
But now I'm letting thrill in
They can't move me like a marionette
Like a marionette
Move me like a marionette
Like a marionette

Na-na, na-na, na-na, na-na, na-na-na
Na-na, na-na, na-na, na-na, na-na-na

All the stuff I've taken
Got it from a deep end
Now the haters love, 'cause they want me in them pictures
Funny how the tables turn
Like sorry, I'm not sorry
Fake love won't make up for it

Right now, everybody's watching me
Right now, everybody's watching me
Right now, everybody's watching me
Right now, everybody's watching me

Demons used to dance
From deep in my head
But now I'm letting thrill in
They can't move me like a marionette
Like a marionette
Move me like a marionette
Like a marionette

I'm still picking up the pieces
You never thought how it affected me
I used to feel like an outsider
But I never gave up on me

From deep in my head
But now I'm letting thrill in
They can't move me like a marionette
Like a marionette
Move me like a marionette
