

# Incognito, A Shade Of Blue

(J.P. Maunick)

A lifetime waiting for the light to shine

Suddenly you were here, like an angel appeared

And the world that I knew changed into a wonderland

Then you called out my name, Looked around and I found You were gone

Like the rays of the sun, disappeared into never ending nights

Chorus:

Where everything real has turned to stone

And the songbird has flown (you're gone)

Now I know a rose can change a shade of blue

Ooh yeah, yeah, yeah, yeah, yeah

A shade of blue

My body's hurting, crying and yearning

Sometimes I feel like I'm losing my mind

And I think about you, knowing only you could understand

Here alone in my room, I can feel all the walls closing in

Feeling trapped in a shell, wishing that I could spin the wheels of change

Chorus

Repeat (Fade)
