

# Incognito, Celebrate Your Life

(J.P. Maunick/R. Bull/R. Taylor)

Steal the thunder  
You're a diamond in the mire  
Shine on, wont you shine on  
No matter where you are  
Like the forces of nature  
Irresistable as the sun  
So real got to be so real  
Your heart and your mind's desire  
So wake up and dance  
Now is the time  
Hey, hey, hey

Chorus:

Celebrate your life  
It's your life (your life)  
Celebrate your life  
Step into the big sunshine  
From rags to riches  
So many only dreamin'  
So don't be a fool now  
Keep control on your destination  
With the future so bright  
Aim your eye to the sky  
So real got to be so real  
Life can be what you want it to be  
So wake up and dance  
It's your time Hey, Hey, Hey  
Chorus
