

Incognito, Smile

(J.P. Maunick/G. Sanctuary)

Chorus:

I can't feel the rain

Feel no pain

When your smile is on me

Chase the clouds away

Happy sunshine day

When your smile is on me

Chorus

I want you here forever

Won't you say that you will be

My baby

Smile for me

Chase the clouds away

With your smile

Feels so good

Feels so good

Feels so good

Feels so good

Chorus

Repeat (Fade)
