

Incognito, Why Don't You Believe

(Girl you love, take a chance)

(Give romance let's dance)

Stop wondering where
And wondering when
Your love and emotion should show

Chorus:

Why don't you believe

(Why don't you believe)

There is no mystery

Oh, why can't you see

(Why can't you see)

It's just for you and me

(Girl you love, take a chance)

(Give romance let's dance)

Let your love desire
Put time and the place
All your emotions
Go flow
